

Store these instructions in a safe place with the enclosed maintenance checklist

Instruction Sheet

Weighted Compression Jacket 142221 Large/Extra Large 6 lbs.

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location: the Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

MATERIALS LIST

- 1 - Weighted Compression Vest
- 3 - Adjusting straps
- 1 - Instruction sheet
- 1 - Maintenance Checklist

NOTE: If any of the above are missing, please contact Southpaw immediately, 1.800.228.1698.

INSTRUCTIONS FOR USE: *proper supervision required*

Place the client's arms in the arm holes of the vest. Secure the hook fastening straps to the sides of the vest. Adjust the straps to suit each clients needs. Press each hook fastening strap to insure they are securely fastened.

CAUTION: Fabric and adhesive are not certified fire retardant. Keep away from open flame or cigarettes.

STORAGE PROCEDURES:

- When storing jacket, please keep like sides of hook fastening straps together (hook to hook or loop to loop) to alleviate damage to Velcro material
- Store out of direct sunlight
- Store where not accessible by clients without proper supervision

CLEANING INSTRUCTIONS:

- Check clients for allergies first
- Check with your Infectious disease department before using these procedures
- Do **not** dry clean
- Machine wash cold water—mild detergent

CAUTION

- ♦ Jacket is never to be used outside, around any kind of water, and always with constant supervision.
- ♦ The Jacket is not designed to be used as a brace or correctional device for poor posture.
- ♦ The Jacket should never be used during strenuous physical activity such as running, jumping, turning upside down, or any activity involving sudden movements, except in carefully monitored instances.
- ♦ Weight must be equally distributed. If weight is not distributed equally it may cause stress to an already fragile nervous system.

- ♦ **SAFETY PRECAUTIONS** - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation, and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without professional supervision.
- ♦ **This sheet is for example only.** It is not meant to in any way replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
