

Instruction Sheet

Advantage Line Steamroller 150030

Store these instructions along with the enclosed maintenance checklist in a safe place. You may also access them on our website.

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location: the Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment. If this Instruction Sheet is misplaced, please call or write for a replacement. (See address below).

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

- 1 - Steamroller
- 1 - Instruction Sheet
- 1 - Maintenance Checklist

SPECIAL NOTE:

The amount of downward pressure from the top rollers is adjustable. Minimum pressure is achieved by hooking the bottom loop of the spring in the top hook of the bracket on each side. To increase the amount of pressure, move the spring loop downward and hook it on a lower hook. Both spring loops must be hooked on the same hook on each side to exert equal pressure on both sides.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check roller covers for loose stitches, rips, or tears. If loose stitches, rips, or tears are found, discontinue use until repaired.
- Check wood parts for splinters. If splinters are found, sand smooth and refinish with clear lacquer.

STORAGE PROCEDURES:

- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS:

- Check for client allergies first.
- Check with your infectious disease department before using these procedures.
- Wipe with a damp cloth using soap and water or disinfectant. Dry before using.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
