Instruction Sheet

Dimming Light Cover - 1570

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location: the Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

- 1 - Dimming Light Cover
- 6 - Adhesive Squares
- 1 - Instruction Sheet
- 1 - Maintenance Checklist

TO ATTACH COVER TO LIGHT:

Use rubbing alcohol to clean areas around the light where adhesive Velcro will be attached. Leave all 6 adhesive squares connected to the cover. Peel adhesive backing off the two squares along the short edge of cover. Stick the short edge to the corners at the short edge of the light. Attach the two middle points of the cover to the middle of the light, then finally, the last two corners. Be sure to pull cover taught as it is attached to avoid bagginess.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check for torn cover or ripped seams. If tears or rips are found, discontinue use until repaired.
- Check for loose stitching along edges and Velcro. If loose stitching is found, discontinue use until repaired.

CLEANING INSTRUCTIONS:

- Hand wash with mild soap
- Lay flat to air dry

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
