MAINTENANCE CHECKLIST

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed. Contact Southpaw for repair or replacement of worn or frayed parts.

- Check all seams for rips or tears. If rips or tears are found, discontinue use immediately until repaired to keep clients from ingesting foam.
- Check zipper to be sure it is closed properly. Zipper cannot be repaired except by Southpaw because the zipper slider was removed to prevent having a hard or sharp place on the foam.

STORAGE PROCEDURES

- Store out of direct sunlight.
- Store away from all chemicals and household cleaners.
- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS

- Check with your infectious disease department before using these procedures.
- Check for client allergies first.
- Clean with a damp cloth using soap and water or disinfectant.
- Dry before using.
- Do not immerse in water.
- If you have any questions or comments, please call or write

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.
