

Instruction Sheet: 303910 Corner Stereo

Store these instructions along with the enclosed maintenance checklist in a safe place. You may also access them on our website.

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

Corner Stereo (completely assembled)
Remote Control

Instruction Sheet
Maintenance Checklist

INSTRUCTIONS FOR USE:

The Corner Stereo was intended for use with Southpaw Vibro Acoustic products. Any two of these items can be connected to the Corner Stereo at one time. Connections are best used with the cords supplied with vibro product. Cord has one RCA jack at each end. Plug one end into the vibro product and the other into the Corner Stereo. Refer to the Stereo instruction manual for operation of Stereo. For best results, when using vibro products and the external speakers built into the stereo use the FADE option on the Stereo and make the FADE REAR plus 11. Stereo can be used only with CD's or an MP3 player.

MAINTENANCE CHECKLIST

✓All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed:

- Check for frayed wires
- Check the wood surface and edges for splinters. If found, discontinue use until repaired. You may repair it by sanding the area smooth with a medium grit sandpaper, and applying two coats of clear lacquer to the repaired area.

STORAGE PROCEDURES

- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS

- Check with your infectious disease department before using these procedures.
- Check for client allergies first.
- Clean with a damp rag and a mild surface cleaning solution
- Let air dry or wipe dry with a cloth.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
