

Store these instructions with the enclosed maintenance checklist in a safe place. You may also access them on our website.

Instruction Sheet

Jump and Play Island Tube Cover 4510

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location: the Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

- 1-Tube Cover
- 1-Instruction Sheet
- 1-Maintenance Checklist

TO PUT COVER ON TUBE:

- Unzip cover and lay it on the floor. The bottom will be the side that has the zipper.
- Partially inflate the tube and lay it on the cover with the valve stem pointing down and lined up with the valve stem hole in the cover. Insert valve stem through button hole.
- Pull top half of the tube cover up through the center of the tube. Zip the cover around the tube. Adjust Lycra cover so cover seams are lined up with tube curves.
- Slide the valve stem protector off, fully inflate the tube to fill the cover, readjust cover while inflating tube and replace the valve stem protector.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check for loose stitches and ripped seams. If loose stitches or ripped seams are found, discontinue use until repaired.

STORAGE PROCEDURES:

- Store out of direct sunlight.
- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS:

- Check with your infectious disease department before using these procedures:
- Check for client allergies first.
- Cover is machine washable, cold water mild detergent. Tumble dry LOW heat.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
