

SOUTHPAW®

Instruction Sheet The Cubhouse Mobile Cart # 844000

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

Store these instructions along with the enclosed maintenance checklist in a safe place.

You may also access them on our website.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST

- Cubhouse mobile cart - with 4 locking caster wheels and storage drawer
- Padded seat cover, tan color - XB844000
- Chalkboard panel
- Puzzle panel
- 120 pc. puzzle pieces set - XB303804A

ASSEMBLY INSTRUCTIONS:

The Cubhouse mobile wooden cart comes fully assembled.

This unit MUST be supervised by an adult caregiver, nurse or therapist.

The Cubhouse mobile cart is intended for use and storage indoors only.

OPERATION and FEATURES:

CHALKBOARD PANEL FRAME:

Standard pieces of white or colored chalk may be used to draw images on the chalkboard panel. Use a standard chalkboard eraser or soft rag to remove the drawn images from chalkboard surface.

- Do not use any other drawing implements other than chalk as they may permanently stain or damage the chalkboard surface.
- Do not use paper towels or abrasive objects on chalkboard surface as they may damage the chalkboard surface.

To deep clean chalkboard after heavy or prolonged use: Dampen a soft rag or soft sponge with clean water. Wring out any excess water prior to wiping chalkboard surface so that no water is dripping off rag or sponge. Evenly wipe the chalkboard surface to remove chalk residue build up. If there is heavy build up, the rag or sponge may need to be rinsed out and then surface re-wiped until all chalk residue is removed.

PUZZLE PANEL FRAME:

The puzzle panel features soft, textured fabric that is compatible with most "hook" style velcro fasteners.

Users may attach the geometric puzzle pieces from the 120 piece puzzle set onto the soft fabric to create their own designs or may use the included pattern boards as a guide.

Warning! The 120 piece puzzle set does contain small pieces and should only be used with proper adult supervision.

MAINTENANCE CHECKLIST

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed:

- Check all wooden parts for chips or splinters. If rough spots are found, discontinue use until repaired. To repair rough spots—sand smooth using a fine to medium grit sandpaper and then apply 2 light coats of clear lacquer to the repaired area.
- Check hardware to make sure it is securely attached. If hardware is not securely attached, tighten screws. If it is still not secure, please contact Southpaw for repair or replacement.

STORAGE PROCEDURES

- Store out of direct sunlight. Sunlight may lighten fabric colors over time.
- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS

- Check with your infectious disease department before using these procedures.
- Check for client allergies first.
- The chalkboard surface may be cleaned using a damp cloth.
- The vinyl seat pad surface may be cleaned with any prescribed disinfectant. Dry before using.
- Wood parts can be dusted as needed. If necessary, wood can be cleaned with a damp cloth using soap and water or disinfectant. Dry before using.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
