Instruction Sheet

Play Loft Hideaway Flaps 150220

Store these instructions in a safe place or you may access them on our website.

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST:

- 1 - Hideaway Flap
- 1 - Instruction Sheet
- 1 - Maintenance Checklist

Hideaway flaps are also available as a set of four, # 450220

ASSEMBLY PROCEDURE:

- The flaps attach to the inside of the legs of the Play Loft.
- There is a piece of hook fastener sewn to each end of the flap.
- Attach the flap to the legs by connecting the hook fastener to the loop fastener located on the inside of the legs just below the floor of the loft.
- Attach one end of the flap on each side of the loft.

MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check for loose stitches and tears in fabric. If loose stitches or tears are found, discontinue use until repaired.

CLEANING INSTRUCTIONS:

Check with your infectious disease department before using these procedures.

- Check for client allergies first.
- Wipe with a damp cloth using soap and water or disinfectant.
- Dry before using.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
